Dear form 10d,

I'm afraid nobody of us is able to expect what's going to happen in the upcoming weeks. Please practise as carefully as possible to be prepared for whatever and whenever.

I'm pretty glad that your English skills and performances are mostly outstanding. So everyone of you will be able to complete the tasks that you will be required to do every day on your own.

Sometimes you will be asked to do one section of the Final Exams Trainer, sometimes you will have to complete a worksheet. **Please do the exercises first, then correct yourself.** I know that you're familiar with that kind of practice.

Every now and then I want you to prepare a 'Guided Writing' text and send it to me (markus.schott79@web.de). I'll correct it for you and send it back to you.

Of course you'll have to learn your vocabulary additionally. But don't worry: just take some ten or fifteen words, learn them and don't forget to write them into your vocabulary book.

If you have questions or need help: don't hesitate to ask.

Take care!

Your Mr S
